

There have been two documented suicides at the CBSA since 2003\* that have taken place at work on while on duty:

Year	Number of Suicides	Suicides that took place in the work place	Employee belonged to the FB group
2021	1	0	1
2016	1	1	1

\*Other suicides may have occurred outside of the workplace since 2003 however the Agency doesn't have record of those suicides.
